Dear Reader,

We are very proud to inform you that

RITRAMA SpA – Sassoferrato site has been certified to OHSAS 18001:2007 (Occupational Health and Safety Management System).

As a quality supplier within the speciality roll label and sheet stock market on international scale, the Ritrama Group is positively committed to ensuring that everything that we do addresses current environmental issues in a clearly defined and responsible manner.

In addition to the ISO 9001:2000 Quality System implemented throughout the Ritrama Group, our prime manufacturing site based in **Sassoferrato** has been approved to ISO 14001:1996 and now certified to **OHSAS 18001:2007**

(certificate available soon).

Our organization has implemented a Health and Safety Management System, strengthening our commitment to protect our workforce and promote a safe and healthy working environment by consistently identifying and containing all health and safety risks, reducing the potential for accidents and ensuring legislative compliance.
