

Self-adhesive materials to create eye-catching colours labels, for advertising and promotional purposes as well as for hazard and safety labels.

COLOURED PAPERS

When your message requires immediate attention...

A calendared woodfree paper and a series of fluorescent papers available in many different colours to provide **maximum optical impact**.

...coloured papers leave a dazzling impression!

Coloured papers are used as **pricing tags** on goods in shops or supermarkets, as well as for advertising and promotional purposes, such as product launches.

These striking colours make an ideal choice also for use as **hazard and safety labels and identification labels** in the logistics field.

A clear message

Ritrama's coloured papers offer a high visual impact solution for high speed label price dispensers where **fast eye catching communication** of product news and special offers is required.
