| Colour and Finish | White |
| Weight | 72 g/m ² ±10% PP-032 - ISO 536 |
| Thickness | 63 µ ±10% ISO 534 |
| Transparency | >40 % DIN 53 147-64 |

Applications

High quality labels for beverages and wine. Excellent water resistance with good stability after immersion in ice water. Not suggested for bottle neck labels.
REELS MUST BE WOUND WITH THE FACE-SIDE OUT.

Printing Methods

Printable with letterpress UV, flexo UV, offset UV and screenprinting.
Testing for suitability between media, printers and inks is always recommended prior to use.

Shelf life

24 months, applicable only to the material delivered by Ritrama which has not undergone further processing, under the following **STORAGE CONDITIONS**:

- This material must be stored at a temperature of 22°C ± 2°C and 50 ± 5% of Relative Humidity.
- Storage area must be dry and clean.
- Keep the material in the original packaging when not used in order to protect it from dust and contamination.
- Do not expose to direct sunlight or heat sources.

All Ritrama products are subject to strict manufacturing controls to guarantee good quality products. The above information is based on research believed to be reliable, but does not constitute a warranty. All material should be tested by the purchaser to determine suitability of the product for their purposes.
All information is subject to change without prior notice.
